Packaging and Shipping

If you want to send a device for maintenance or repair to AGT-PSG, please note the following information on packaging and shipping:

- Please use the original packaging of the device. If this is not available, use another stable packaging in which the cooler is well protected from the weather and mechanical damage. Handle with care. Heavy blows could cause irreparable damage.

- AGT-PSG will only accept deliveries that are not physically damaged. Ensure a transport in perfect upright position. Turning it upside down some parts could be irreparably damaged. It is best to tie down the individual package on a pallet. Do not stack. Mark your package with appropriate icons:

- Fill in this form and the subsequent declaration of decontamination completely. Send the device along with the forms DDP (Delivery Duty Paid – AGT-PSG will only accept deliveries if freight and customs are fully paid) to:

  AGT-PSG GmbH & Co.KG

  41812 Erkelenz

- Inform AGT-PSG by email (info.agt@agt-psg.de) about the shipment of the cooler and the approximate delivery date. Please attach scans of the filled in documents.
